

OSA-0118-64

9 January 1964

MEMORANDUM FOR: Chief, Support Division, OSA

SUBJECT : Courier Travel

REFERENCE : OSA-6216-63, dated 24 December 1963

In paragraph 3 of the referenced memorandum a question was posed as to whether or not couriers should travel 1st class when the material which they are accompanying is transported in the cargo compartment of the aircraft. It is the opinion of this office that no need exists for the courier to travel 1st class in such a situation. It is felt that the courier, upon presentation of his official documentation, will be able to make the necessary arrangements to permit his exit from the tourist section immediately upon the landing of the aircraft to facilitate the monitoring of the classified cargo. Accordingly, it is the intention of this office to only request 1st class accommodations for couriers when the material for which he is responsible will be accompanying him in the cabin of the commercial airliner.
